PRODUCT SPECIFICATION

Product: CEDERROTH 4-IN-1

Reference code: 1910

1. General description

Cederroth 4-in-1 is a sterile universal dressing, which consists of two elastic bandages and one compress with a non-stick wound contact layer. The compress is stitched to one of the bandages. The dressing is wrapped in a pouch with printed pictorial user instructions.

2. Intended use

To be used in first aid situations. Cederroth 4-in-1 has four functions:
➢ Pressure pad for heavy bleeding
➢ Protective dressing for superficial wounds
➢ Burn dressing with special wound protecting surface
➢ Temporary support dressing

Because of the many functions, Cederroth 4-in-1 replaces a variety of traditional first aid dressings and compresses.
